The FMAO has an allotment of rooms to be held until August 1. After that date there is no guarantee rooms will be available, so reserve early. As you know, door prizes are given away throughout each day of our annual convention. In an effort to add more variety to our prizes, **we are asking each fire department and/or organization that will be present to bring something (i.e. t-shirts, hats, patches, mugs, etc.) with their logo on it that may be used in our daily give away.** This is totally voluntary, any and all items received will be greatly appreciated.
