Poison Safety

National Poison Control Center hot line: 1-800-222-1222

- Know which household products are poisonous.**
- Keep poisonous products out of children’s reach.**
- Keep the National Poison Control Center hot line by each telephone.**
- Don’t mix different cleaning products together.**
- Keep products in the original containers. Read labels to learn if a product is poisonous and for the first aid information.**
- Never refer to medicine or vitamins as candy.**
- Choose medicines and products that have child-resistant caps.**
- Keep make-up, hair spray, cologne, and other personal products away from children.**
- Install carbon monoxide detectors in every level of your home.**
- Throw away old medicines and cleaning products.**

Keep poisons out of children’s hands!
